Vicious signs Ultimate Tackle as a licensee

Dora, AL, June 29, 2007 -- Jasper, Alabama based Ultimate Tackle now has a full line-up of Angler Tackle Bags. Each of these bags comes with plastic boxes and plenty of room for tons of gear. Chris Dutton of Ultimate Tackle said "We want to provide both the best in plastics and a place to store them and this was a natural progression for that. We are excited about the quality and layout of the bags and they are competitively priced for all anglers."

Ultimate Tackle has a full line of bags for all of your tackle, plastics, spinnerbaits, crankbaits and all of your terminal tackle all with that great Vicious logo. There are six models and they come in two great colors as well. They are durable, water resistant and chock full of great pockets to keep your tackle easily assessable and protected.
